

EMPLOYER SERVICES

Employment Screening Tools

Customized background verification solutions

You could be hiring more than a candidate’s qualifications. Comprehensive pre- and post employment screening solutions, powered by First Advantage, can help ensure the integrity and ongoing success of your dealership right from the start – by helping you make informed, confident staffing decisions.

Web-Based Ordering System

First Advantage’s online platform brings together the complete offering of screening solutions for your dealership, so you can streamline your hiring process. Through multiple ordering and delivery options – including the industry-leading Web-based technology – we offer easy-to-use tools for managing and tracking your background screening data.

Packaged Solutions

We’ve packaged tools to best fit your needs, but if needed, our experts can package a solution tailored for your dealership and improve your hiring results! Choose from our four pre-packaged solutions or any a-la-carte item.*
