## NEW! ACT Portfolio Management Solutions

Available now, our new ACT Portfolio Management solutions is a powerful suite of automated customer tracking tools. The ACT suite – which consists of ACT Report, ACT Monitoring, ACT Tracing and a unique reporting back feature, ACT Back – is designed to help you better manage your overall portfolio and improve your collection and recovery process by monitoring customer financial and credit behaviors. For more information on ACT Portfolio Management, call (866) 226-9821 or visit [www.CREDCOservices.com/ACT](http://www.CREDCOservices.com/ACT).

## CREDCO Service Center Password Protection

As part of our ongoing effort to protect sensitive consumer information, we've implemented a new password protection measure when accessing the CREDCO Service Center at [CREDCOservices.com](http://CREDCOservices.com). If you are a current CREDCO Service Center user, you will be prompted to update your password every 90 days

upon login. This security feature was implemented in order to maintain a safe and secure Web experience for our customers.

## Social Security Masking for Minnesota Consumers

As you may know, Minnesota law will require all businesses to mask the first 5 digits of a consumer's Social Security Number on credit reports as of July 1, 2008. This law will apply to all Minnesota residents. We've already activated this request on your credit reports, so no action is required for First Advantage CREDCO customers. If you have questions about the new requirement or any compliance laws, please contact CREDCO Customer Support at (800) 694-1414.

## Red Flag Solution

CREDCO's comprehensive offering of identity verification, OFAC screening and credit reports, can help you meet the new Red Flag compliance requirements.
