Data Security: Our Commitment to You

At First Advantage CREDCO, data security is one of our highest priorities. It's why you along with thousands of U.S. automotive dealerships – and more than 50 top dealer sales and finance software providers – choose to do business with us.

2009 Disaster Recovery Test

CREDCO recently completed our annual disaster recovery testing program with great success. Our #1 goal each year is the same: to ensure continuous, uninterrupted access to the credit information you need, when you need it, through www.CREDCOservices.com.

Our on-site and off-site hot backup and disaster recovery capabilities means a proven systems uptime you can count on 24/7.

Data Reliability Means Confidence

No matter where you're pulling credit reports, remember that CREDCOservices.com is always available as a convenient, solid back-up or primary solution for reliably accessing consumer credit information fast.

+ Safeguarding Customer Data

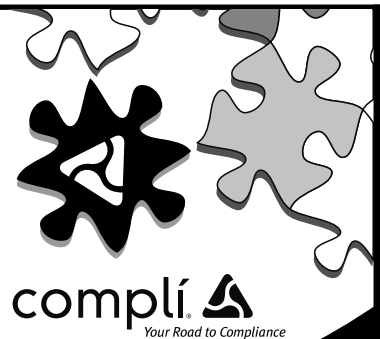

We continuously test & improve the capability of our disaster recovery plans to ensure a timely system recovery in the event of a catastrophic situation.
